

WEBINARS

Expediting cost reduction transformation with modern Enterprise Orchestration

In this 30-minute webinar, learn how transformation execution is being revolutionized with Enterprise Orchestration.

Sensei Labs September 16, 2024

Transformation Webinar For Enterprises and Service Firms

In this 30-minute session, we will focus on the execution model of transformation and how it is being transformed via modern Enterprise Orchestration. This webinar is for executives who want to gain insights into how this new model is delivering 3x transformation success over traditional operating models, and who want to discover examples of successful cost-reduction transformation and the many use cases that can benefit from this new execution model.

WHAT YOU'LL LEARN

- What is Enterprise Orchestration
- Why transformation leaders are embracing it
- What are the benefits including several enterprise cost-reduction case studies

- How to determine if Enterprise Orchestration is right for your company
