Forbes: Thirteen Resources Tech Leaders Rely On For Keeping Up With Industry News with Jay Goldman

Our CEO, Jay, appears in Forbes sharing resources and strategies for keeping up-to-date with industry news.

Jay Goldman | October 21, 2022

The tech industry is constantly in motion, and tech professionals at any level must engage in continuous research and learning to keep up.

With an eye on quickly and efficiently staying informed on all the latest tech news, Jay along with other experts at the Forbes Technology Council share their strategies and lists of go-to sources of cutting-edge, reliable information. Here's Jay's contribution:

The All-In podcast is a great perspective on the tech industry from some of the most successful investors in history—people who have generated billions. David Sacks, Chamath Palihapitiya, David Friedberg and Jason Calacanis take on a wide variety of tech and non-tech

stories every week. I don't always agree with their takes, but I appreciate their intelligence and passion. - Jay Goldman, Sensei Labs
