Sensei Labs is Great Place to Work Certified 2022

Sensei Labs has been certified as a Great Place to Work for the fourth year in a row.

Sensei Labs | October 21, 2022

We did it (fourth time in a row!) Now it's time to celebrate and shout from the rooftop yet again that we're **Great Place to Work® Canada** certified.

This is because of the commitment from every Sensei to make Sensei Labs a great place to work — each Sensei nurtures and creates the place where we want to thrive and enjoy our work. This dream of many companies is our reality 🎯

Creating a culture that embodies our values, fosters kindness, and is truly inclusive is so important to us. When we get recognized by esteemed organizations, it reassures us that we're doing the right things for our own people. And that's the most important thing!
